PROFESSIONAL SUMMARY

Frontend Developer skilled in HTML, CSS, JavaScript, and React, with experience building responsive web applications including a CV Builder, Job Tracker, Quiz Application, and productivity tools. Combining 3+ years of professional experience in administration and operations with strong problem-solving, organization, and attention to detail. Seeking a frontend internship opportunity to contribute to real-world products while expanding expertise in modern web development.

PROJECTS

- Job Tracker App
 - Developed a web application to help users organize and track job applications efficiently.
 - Implemented features for managing application status, deadlines, and job records.
 - Built a responsive user interface for seamless use across devices.
 - Live Demo: <https://damdevjobtrackr-pied.vercel.app/> | GitHub: <https://github.com/damdevtech/jobtrackr>
- CV Builder Web App
 - Developing a dynamic web application for creating and downloading professional CVs in real time.
 - Implementing responsive design, live preview, form validation, and PDF generation.
 - Designing a clean and user-friendly interface for efficient CV creation.
 - Live Demo: <https://damdevcvbuilder.netlify.app/> | GitHub: <https://github.com/damdevtech/CV-Builder>
- Quiz Application
 - Built with React using reusable components and state management.
 - Implemented timer functionality, score tracking, and instant feedback.
 - Designed a responsive interface for desktop and mobile users.
 - Live Demo: <https://damdevquizapp.netlify.app/> | GitHub: <https://github.com/damdevtech/quizapp>
- Calculator App
 - Developed using HTML5, CSS3, and JavaScript.
 - Designed responsive layouts using Flexbox and CSS Grid.
 - Implemented arithmetic operations and interactive user experience.
 - Live Demo: <https://damdevcalculator.netlify.app/> | GitHub: <https://github.com/damdevtech/calculator>

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), React

Tools: Git, GitHub, Visual Studio Code

Concepts: Responsive Design, DOM Manipulation, REST APIs, Local Storage, Component-Based Architecture, State Management

PROFESSIONAL EXPERIENCE

Administrative & Operations Professional | 3+ Years Experience

- Managed records, reports, and operational processes with high attention to detail.
